DISMISSAL ORDER

On August 3, 2001, Broadslate Networks of Virginia, Inc.
("Broadslate"), filed its Petition with the State Corporation
Commission ("Commission") in the above-captioned case.
Following procedural orders¹ and settlement negotiations between
Broadslate and Central Telephone Company of Virginia, Inc. and
United Telephone-Southeast, Inc. (jointly, "Sprint"), Sprint
filed a notice on February 15, 2002, of its outstanding offer of
settlement due to expire March 1, 2002.

The Commission now takes judicial notice of its Order
Authorizing Discontinuance of All Telecommunications Services
and Cancellation of Certificates, issued in Case No. PUC020016

¹ A Procedural Order was issued August 16, 2001, and an Order Granting Extension was issued on September 19, 2001. An Order Granting Abeyance was issued November 16, 2001.

on February 21, 2002, which allows Broadslate to discontinue all services effective March 15, 2002. The Commission concludes that the above-docketed Petition against Sprint is moot and that this case should be dismissed without prejudice.

Accordingly, IT IS ORDERED THAT this case is hereby dismissed without prejudice.
